

By KAIN GROUP Est.

Kain Group Est. was established in Lebanon in 1991 by its owner Mr. Adham Kain. The company's purpose is to provide its customers premium products with a high focus for meeting the demands of the Lebanese market, Middle East, and African market specializing in **workshop equipments, construction machinery, and generators.**

Mr. Adham Kain
C.E.O.

Our Vision

Put our years of experience in the industrial field to unite our power with the satisfaction of our "Actual customers."

Our Mission

- Put all our potentials in order to reach the Win-Win situation.
- Our number one goal is to reach the continuous improvement in all our operations.
- Value, authorize, inspire and recognize are at the core of our corporate behavior leading to a responsive and creative environment committed to superiority.

Our Corporate Values

- Innovation: Apply innovative thinking in all the business features in order to preserve our leadership position.
- Respect: Loyalty towards stakeholders, common courtesy and corporate citizenship responsibility to serve and improve the communities in which we live.
- Integrity: Adopt strong business and personal ethics, honesty and credibility.
- Delivery results: Always be ahead of our customers, suppliers and employees expectations.
